KAESP Rigor in the Classroom Institute
June 10, 2009**

The Kentucky Association of Elementary School Principals announces a change in presenter and invites you to the **2009 School Team Institute**. The title of the institute is "Bringing Rigor to the Instructional Program." The institute is to be held at the Marriott East Hotel in Louisville, KY, on Wednesday, June 10, 2009, from 8:30 a.m.-3:30 p.m. The intended audience for this institute includes administrators, principals, and school-based instructional teams which may include interventionists, special education teachers, classroom teachers, and literacy specialists. Participants will learn of simple strategies that work to increase student learning. In this interactive presentation, participants will explore concepts that target measurable achievement for all students. Teams of three school-based personnel are encouraged to attend but individuals are invited as well as additional team members, if desired.
